Professional & reliable electrical solutions

In 2002 Rob set up Rob Buchanan Electrical and has since gained a reputation for providing high quality electrical solutions for residential, industrial and commercial premises across Brisbane's Western Suburbs, CBD, South East Queensland.

Rob has put together a team of friendly, trusted and long-term employees who are encouraged to participate in ongoing skill development and training to ensure their knowledge and compliancy is up to date. Rob is extremely proud that RBE is known for its reliability, prompt service, attention to detail and competitive rates - saving you \$\$\$.
