# XMAS LIGHT SAFETY

Dear Queenslanders...

Always turn off outdoor  
Xmas lights during RAIN  
or STORMS

## Our Accreditations

 Ensure outdoor connections are weatherproof.

 Do not piggy back double adaptors on your powerboards.

 Keep clear of powerlines, swimming pools, driveways & walkways.

 Check for an Australian Approval when purchasing lights.

 Use extra low voltage lights, look for lights with a transformer.

 Secure outdoor lights to fixtures & keep out of children's reach.

Experience, reliable,  
trained & professional  
staff

Licensed, high quality,  
safe & guaranteed work

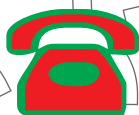

Scheduled bookings,  
on-time arrivals  
& no mess left

Local with excellent,  
friendly reputation

QLD Electrical Licence Number 53471

# 3378 5525

**Professional & reliable electrical solutions**

Wishing all our valued customers a merry xmas  
& joyful festive season.

We thank you for your continued support and wish  
you and yours a much brighter 2021...
